Also Onyxon is entering into research and development formula to provide various software products.

## VALUES AND OBJECTIVES

Onyxon believes that any business demeanor can be ethical only when it rests on the nine core values of Honesty, Integrity, Fairness, Respect, Trust, Consideration, Accountability, Citizenship and Caring.

The essence of these commitments is that each employee conducts the Company's business with integrity, in obedience with pertinent laws and in a manner that excludes considerations of personal advantage.

We do not lose sight of these values under any circumstances, regardless of the goals we have to achieve. To us, the means are as imperative as the ends.

## TEAM APPROACH

Another key element of Onyxon is the effectiveness team emphasis. From the Leadership Team, which is responsible for strategic direction and day-to-day leadership of the business, we believe a team approach is the best way to achieve factual organizational excellence. Hard work, Team work, Cost effective, Timely completion are the highlights differentiating us from our competitors and moving us towards perfection. We can serve To our customers with full efforts on their requirements and needs.

## VISION

We sturdily believe on 4 D's and working according to it.

- Determination
- Dedication
- Destination
- Discipline
